

**From the Marshall Islands Journal Friday, August 19, 2005**

**Caption P2:**

Deborah Kramer (front, second from left) is the new manager of Rongelap Expeditions. She pulled the crew of the Oleanda and their dive team together for a photo the other day. Yokwe Divers, which had been managing the Oleanda and Rongelap programs, is now back to running its own dive operation, with Deborah and her crew focusing on filling the Oleanda and getting divers and other visitors out to Rongelap.
